The United Way of Monroe/Lenawee Counties Hosting 2026 Spring Health Check in Adrian

The United Way of Monroe/Lenawee Counties announces the cancellation of their Adrian Area Health Check scheduled for Thursday, April 23rd at the St. Mary's Activities Center, 305 Division Street, Adrian. Per Executive Director, Laura Schultz Pipis, "Due to an unforeseen circumstance, we are unable to have lab services for this Health Check event. The blood panel services are the cornerstone of the Health Check model, and because of that, we regrettably have to cancel the April 23rd Adrian Area Health Check. We hope we are able to reschedule this important event soon."

Health Check has been an important service to the community for 8 years in Lenawee County and almost 40 years in Monroe County. Providing low-cost health services is a priority for the United Way and its many community partners who make Health Check a successful event each Spring and Fall. Please follow the United Way website and social media accounts for updated information on our Spring 2026 Health Check events. For more information you can contact the United Way of Monroe/Lenawee Counties at 517-264-6821, email Laura Schultz Pipis at lpipis@unitedwayMLC.org or visit the website www.unitedwaymlc.org.
